Action: click Target: To Do List

Status: success

Buttons: Share, ..., New page, Getting Started, To Do List, + Start collaborating, Settings, Marketplace, Trash, Invite mem

Need to open the To Do List to add a new task; 'To Do List' is an available button.

Step 1

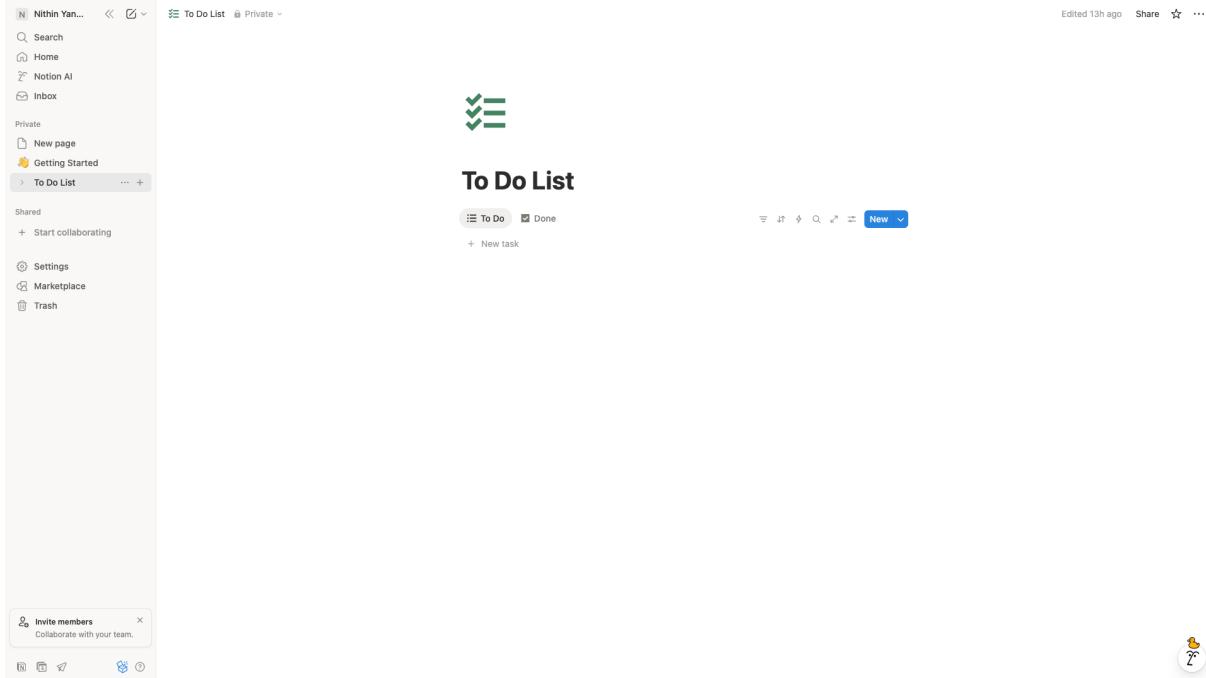

URL: <https://www.notion.so/To-Do-List-2a2143e2a92e80739d74ff5f428a21b9>

Action: click Target: + New task

Status: pending

Buttons: New, + New task, Share, ..., New page, Start collaborating, Settings, Marketplace, Trash, ..., To Do, Done

No fields are visible; need to click '+ New task' to open the task creation form before filling in the task name.

Step 2

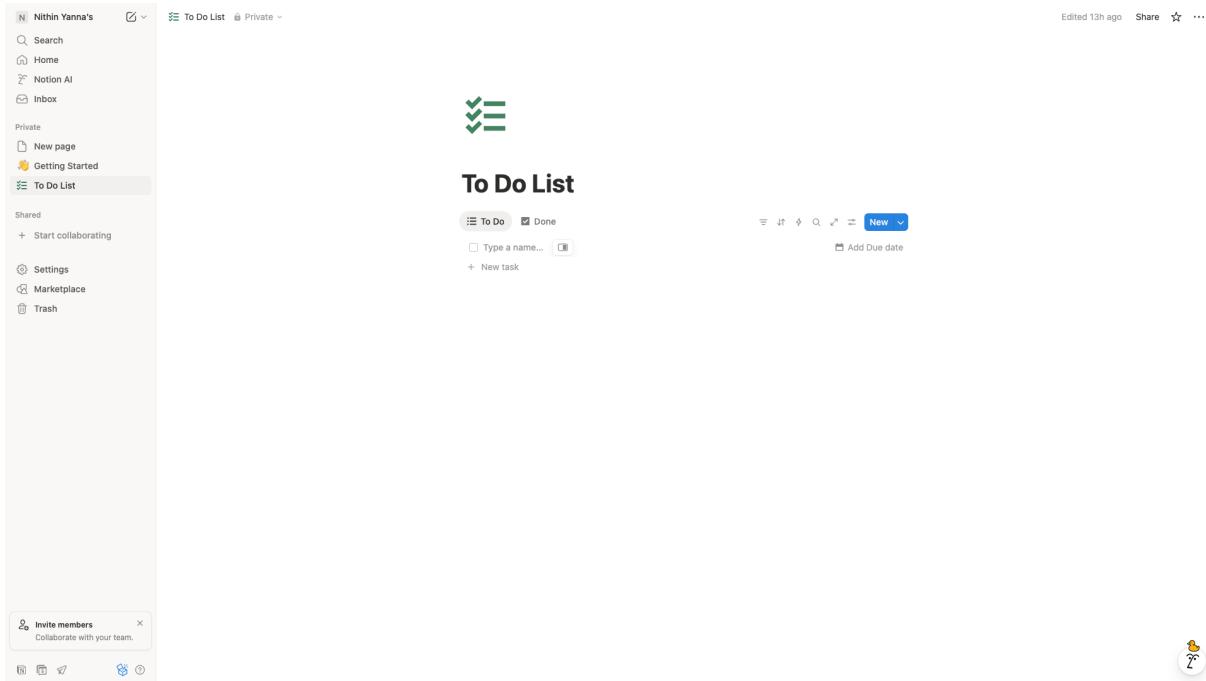

URL: <https://www.notion.so/To-Do-List-2a2143e2a92e80739d74ff5f428a21b9>

Action: fill Target: Type a name...

Status: failure

Buttons: Share, New, Add Due date, New task, Invite members, Nithin Yanna's dropdown, Private dropdown

The task name field is visible; fill it with 'test' before proceeding to settings.

The screenshot shows a Notion workspace titled "Nithin Yanna's". The left sidebar contains links for Home, Notion AI, and a "To Do List" section which is currently selected. The main content area is titled "To Do List" and features a search bar, a "New" button, and a list input field with the placeholder "Type a name...". Below the input field is a "New task" button. A "Invite members" button is also visible. The page was last edited 13h ago.
