Error: Could not find clickable element with text 'Sign in'. Last error: Page.click: Timeout 60000ms exc

Step 0

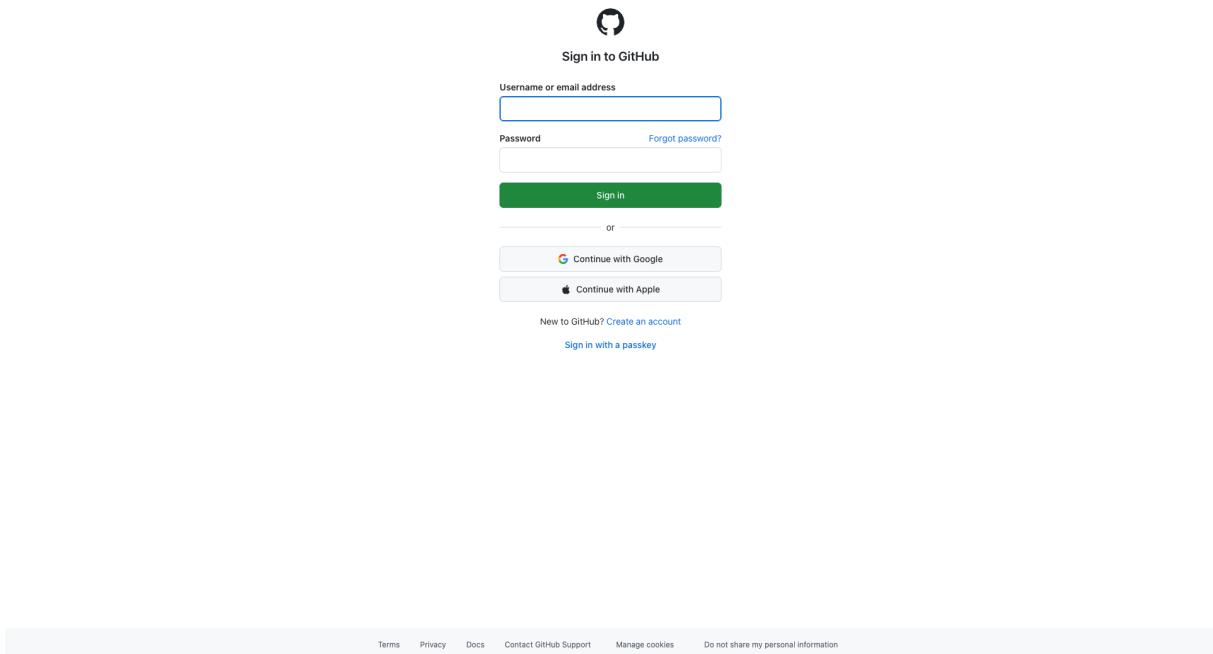

URL: <https://github.com/login>

Action: click Target: Sign in

Status: success

Buttons: Sign in, Continue with Google, Continue with Apple

We have filled the username/email and password fields on the sign-in page. The next required step is to click the 'Sign in' button to log in before creating the repository.

The image shows the GitHub sign-in page. At the top is the GitHub logo and the text "Sign in to GitHub". Below that is a "Username or email address" input field with a blue border. To its right is a "Forgot password?" link. Below the input field is a "Password" input field and another "Forgot password?" link. A large green "Sign in" button is centered below these fields. Below the sign-in form is a horizontal line with the word "or" in the center. Underneath the "or" are two buttons: "Continue with Google" (with a Google logo) and "Continue with Apple" (with an Apple logo). At the bottom of the page, there is a footer bar with links for "Terms", "Privacy", "Docs", "Contact GitHub Support", "Manage cookies", and "Do not share my personal information".

Step 1

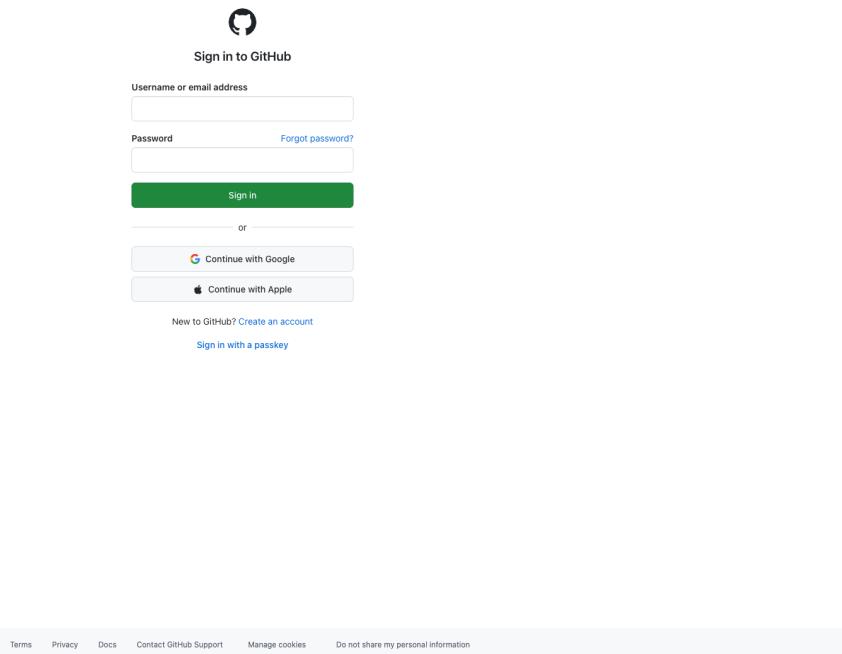

URL: <https://github.com/login>

Action: click Target: Sign in

Status: success

Buttons: Sign in, Continue with Google, Continue with Apple

We are on the GitHub sign in page with Username/Email and Password fields filled. The next logical step is to submit the login by clicking the visible 'Sign in' button.

The screenshot shows the GitHub sign in page. At the top is the GitHub logo and the text "Sign in to GitHub". Below that is a "Username or email address" input field, followed by a "Password" input field with a "Forgot password?" link. A large green "Sign in" button is centered below the password field. Below the sign in form is a horizontal line with the text "or" in the center. Underneath the "or" text are two buttons: "Continue with Google" (with a Google icon) and "Continue with Apple" (with an Apple icon). At the bottom of the page, there is a footer bar with links for "Terms", "Privacy", "Docs", "Contact GitHub Support", "Manage cookies", and "Do not share my personal information".

Step 2

URL: <https://github.com/login>

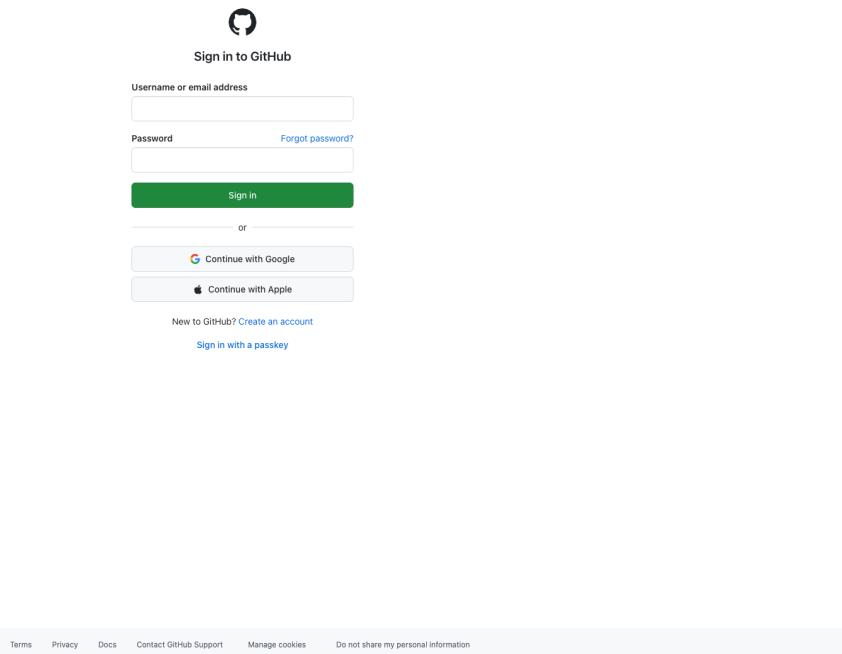

Action: fill Target: Username or email address

Status: success

Buttons: Sign in, Continue with Google, Continue with Apple

We are on the GitHub sign-in page with visible fields for username/email and password.

The password was previously filled, so the next required step is to enter the username/email before clicking Sign in.

The screenshot shows the GitHub sign-in page. At the top is the GitHub logo and the text "Sign in to GitHub". Below that is a "Username or email address" input field. To its right is a "Forgot password?" link. Below the input field is a "Password" input field with a "Forgot password?" link to its right. A large green "Sign in" button is centered below these fields. Below the sign-in form is a horizontal line with the text "or" in the center. Underneath the "or" text are two buttons: "Continue with Google" (with a Google logo) and "Continue with Apple" (with an Apple logo). At the bottom of the page, there is a footer bar with links for "Terms", "Privacy", "Docs", "Contact GitHub Support", "Manage cookies", and "Do not share my personal information".

Step 3

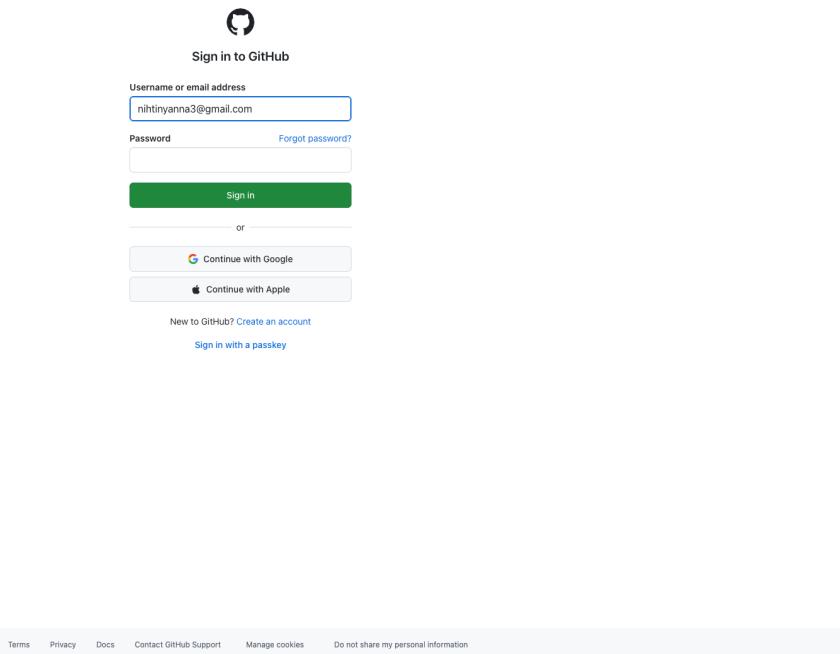

URL: <https://github.com/login>

Action: fill Target: Username or email address

Status: success

Buttons: Sign in, Continue with Google, Continue with Apple

The login page requires the username/email before signing in. Password is already filled, so next fill the visible Username or email address field.

The screenshot shows the GitHub login interface. At the top is the GitHub logo and the text "Sign in to GitHub". Below that is a "Username or email address" input field containing "nihittinyanna3@gmail.com", which is highlighted with a blue border. To the right of the input field is a "Forgot password?" link. Below the input field is a "Password" input field and a "Sign in" button. A horizontal line with the word "or" is followed by two social sign-in buttons: "Continue with Google" (with a Google logo) and "Continue with Apple" (with an Apple logo). At the bottom of the form, there are links for "New to GitHub? Create an account" and "Sign in with a passkey". A footer bar at the bottom of the page includes links for "Terms", "Privacy", "Docs", "Contact GitHub Support", "Manage cookies", and "Do not share my personal information".

Step 4

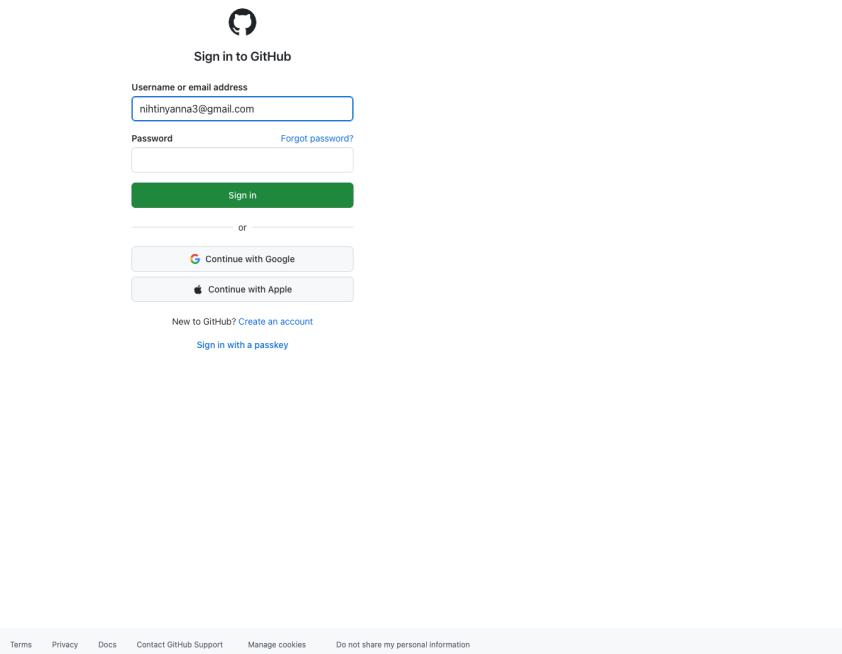

URL: <https://github.com/login>

Action: fill Target: Username or email address

Status: success

Buttons: Sign in, Continue with Google, Continue with Apple

We need to log in before creating the repository. The sign in page shows the username/email field, so the next step is to fill it with a credential.

The image shows the GitHub sign-in page. At the top is the GitHub logo and the text "Sign in to GitHub". Below that is a form with a "Username or email address" input field containing "nihtinyanna3@gmail.com", which is highlighted with a blue border. To the right of the input field is a "Forgot password?" link. Below the input field is a "Password" input field and a "Sign in" button. A horizontal line with the word "or" is followed by two buttons: "Continue with Google" (with a Google logo) and "Continue with Apple" (with an Apple logo). At the bottom of the page, there is a link "New to GitHub? Create an account" and a "Sign in with a passkey" link. A footer bar at the bottom contains links for "Terms", "Privacy", "Docs", "Contact GitHub Support", "Manage cookies", and "Do not share my personal information".

Step 5

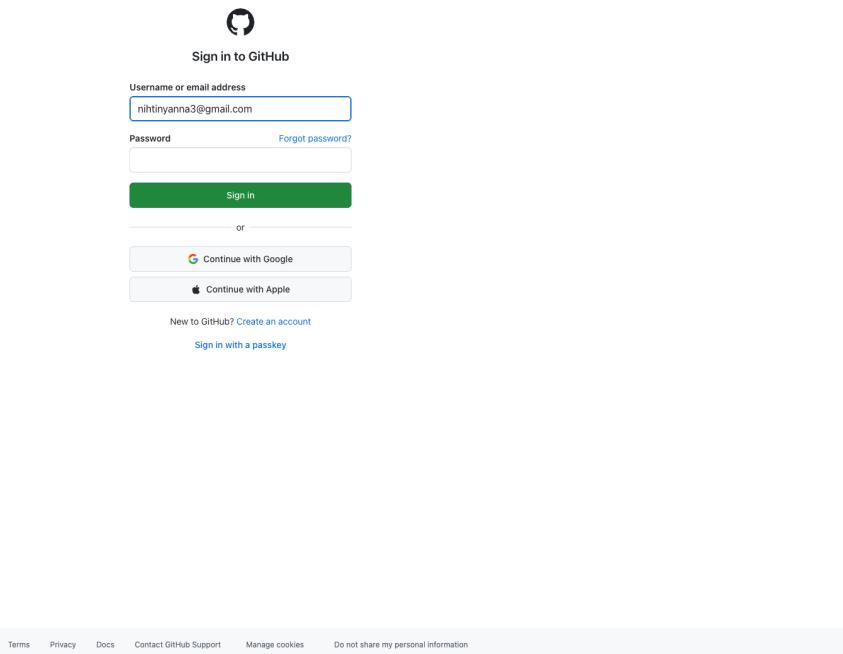

URL: <https://github.com/login>

Action: fill Target: Password

Status: success

Buttons: Sign in, Continue with Google, Continue with Apple, Sign in with a passkey

We are on the GitHub sign-in page. The username/email was already filled, so the next required step is to fill the visible Password field before signing in.

The screenshot shows the GitHub sign-in page. At the top is the GitHub logo and the text "Sign in to GitHub". Below that is a "Username or email address" input field containing "nihitnayanna3@gmail.com", which is highlighted with a blue border. To the right of the input field is a "Forgot password?" link. Below the input field is a "Password" input field, which is currently empty. To the right of the password field is a "Forgot password?" link. Below these fields is a large green "Sign in" button. Underneath the "Sign in" button is the text "or". Below "or" are two buttons: "Continue with Google" (with a Google logo) and "Continue with Apple" (with an Apple logo). At the bottom of the page, there is a footer with links: "Terms", "Privacy", "Docs", "Contact GitHub Support", "Manage cookies", and "Do not share my personal information".

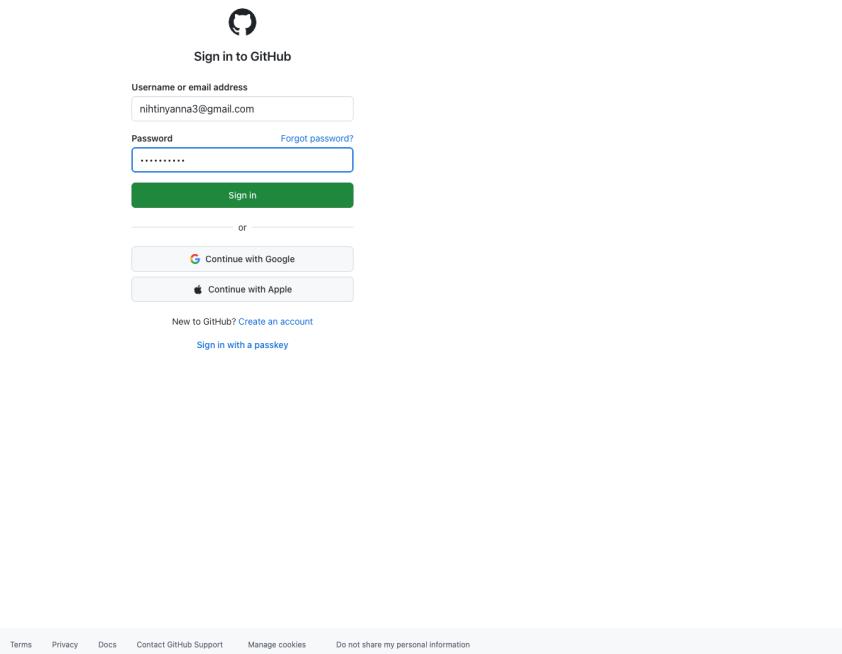

Step 6

URL: <https://github.com/login>

Action: wait Target:

Status: success

No buttons or fields are currently visible; need to wait for the next element (e.g., the 'Create repository' button) to appear before proceeding.

The image shows the GitHub sign-in page. At the top is the GitHub logo and the text "Sign in to GitHub". Below that is a "Username or email address" input field containing "nihitnayanna3@gmail.com". To its right is a "Forgot password?" link. The next input field is for "Password", with a redacted password shown. To its right is a "Forgot password?" link. Below these fields is a large green "Sign in" button. Underneath the password field is a "or" separator. Below "or" are two buttons: "Continue with Google" (with a Google icon) and "Continue with Apple" (with an Apple icon). At the bottom of the page, there is a link "New to GitHub? Create an account" and a link "Sign in with a passkey". At the very bottom of the image, there is a footer bar with links for "Terms", "Privacy", "Docs", "Contact GitHub Support", "Manage cookies", and "Do not share my personal information".

Step 7

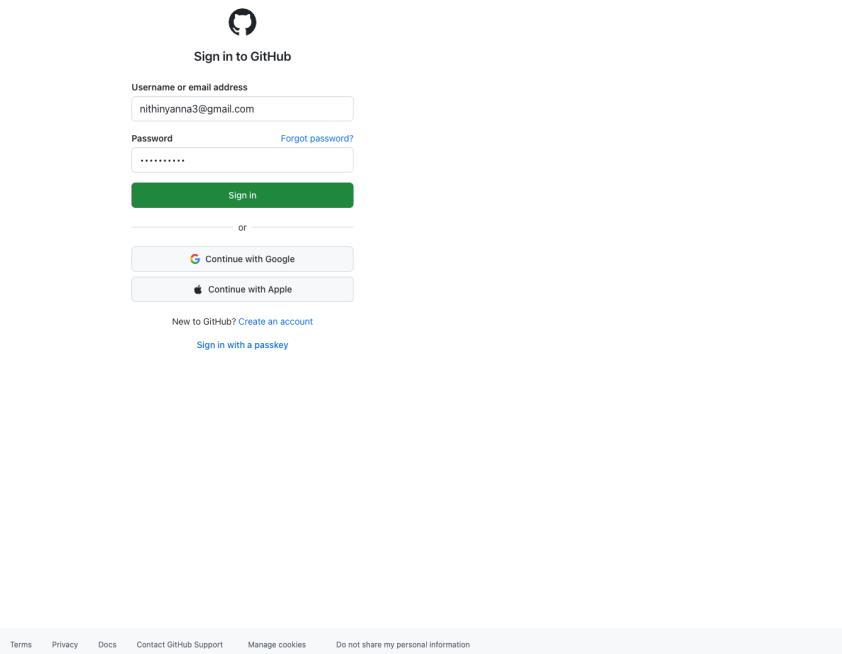

URL: <https://github.com/login>

Action: click Target: Sign in

Status: success

Buttons: Sign in, Continue with Google, Continue with Apple

Username and password have been filled; next step is to click the Sign in button to submit the login form.

The screenshot shows the GitHub sign-in page. At the top is the GitHub logo and the text "Sign in to GitHub". Below that is a form with two input fields: "Username or email address" containing "nithiryanan3@gmail.com" and "Password" containing a masked password. To the right of the password field is a "Forgot password?" link. Below the password field is a "Sign in" button in a dark green color. Underneath the form is a horizontal line with the word "or" in the center. Below this are two buttons: "Continue with Google" with a Google icon and "Continue with Apple" with an Apple icon. At the bottom of the page, there is a footer bar with links for "Terms", "Privacy", "Docs", "Contact GitHub Support", "Manage cookies", and "Do not share my personal information".

Step 8

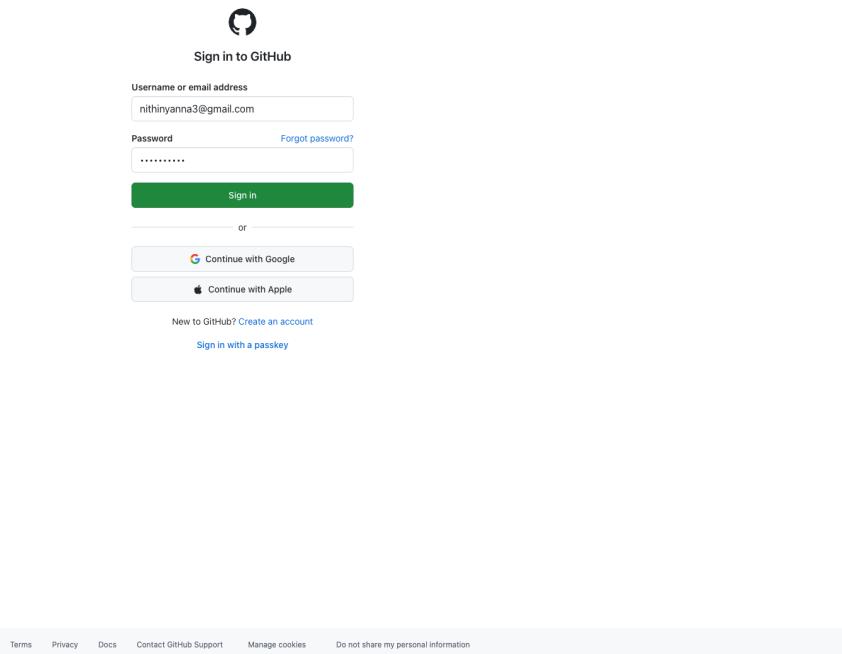

URL: <https://github.com/login>

Action: wait Target:

Status: success

Buttons: Sign in, Continue with Google, Continue with Apple

After clicking the Sign in button, we need to wait for the login process to complete and the next page to load before proceeding.

The image shows the GitHub sign-in page. At the top is the GitHub logo and the text "Sign in to GitHub". Below that is a form with two input fields: "Username or email address" containing "nithiryanan3@gmail.com" and "Password" containing a masked password. To the right of the password field is a "Forgot password?" link. Below the password field is a "Sign in" button. Underneath the form is a horizontal line with the word "or" in the center. Below this are two buttons: "Continue with Google" with a Google icon and "Continue with Apple" with an Apple icon. At the bottom of the page, there is small text: "New to GitHub? Create an account" and "Sign in with a passkey". At the very bottom, there is a footer bar with links: "Terms", "Privacy", "Docs", "Contact GitHub Support", "Manage cookies", and "Do not share my personal information".

Step 9

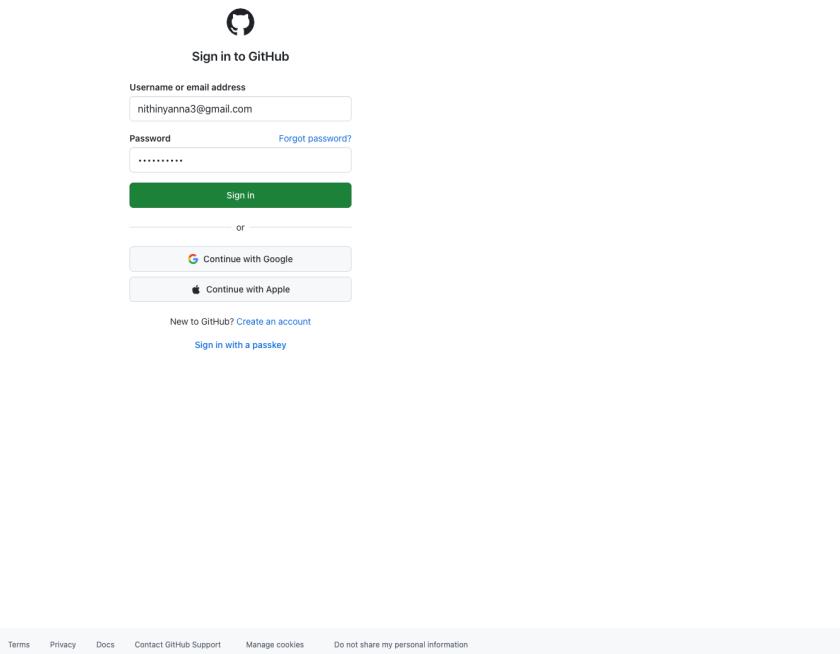

URL: <https://github.com/login>

Action: fill Target: Username or email address

Status: success

Buttons: Sign in, Continue with Google, Continue with Apple

We are on the GitHub sign-in page with the username/email field visible. The next step is to fill this field before proceeding to password entry and sign-in.

The screenshot shows the GitHub sign-in page. At the top is the GitHub logo and the text "Sign in to GitHub". Below that is a "Username or email address" input field containing "nithiryanan3@gmail.com". To the right of the input field is a "Forgot password?" link. Below the input field is a "Password" input field with a redacted password. To the right of the password field is a "Forgot password?" link. Below the password field is a "Sign in" button. Underneath the "Sign in" button is the text "or". Below "or" are two buttons: "Continue with Google" (with a Google icon) and "Continue with Apple" (with an Apple icon). At the bottom of the page is a footer with links: "Terms", "Privacy", "Docs", "Contact GitHub Support", "Manage cookies", and "Do not share my personal information".

Step 10

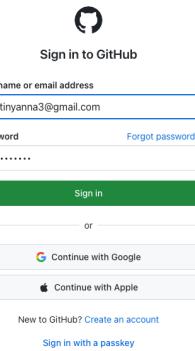

URL: <https://github.com/login>

Action: fill Target: Password

Status: success

Buttons: Sign in, Continue with Google, Continue with Apple

The password field is visible. After filling the username, the next step is to fill the password before submitting the sign in form.

The image shows the GitHub sign-in page. At the top is the GitHub logo and the text "Sign in to GitHub". Below that is a form with a "Username or email address" field containing "nihitnayanna3@gmail.com", which is highlighted with a blue border. Next is a "Password" field with a redacted password. To the right of the password field is a "Forgot password?" link. Below the password field is a "Sign in" button in a dark green color. Underneath the "Sign in" button is the text "or". Below "or" are two buttons: "Continue with Google" (with a Google logo) and "Continue with Apple" (with an Apple logo). At the bottom of the page, there is a link "New to GitHub? Create an account" and a link "Sign in with a passkey".

Step 11

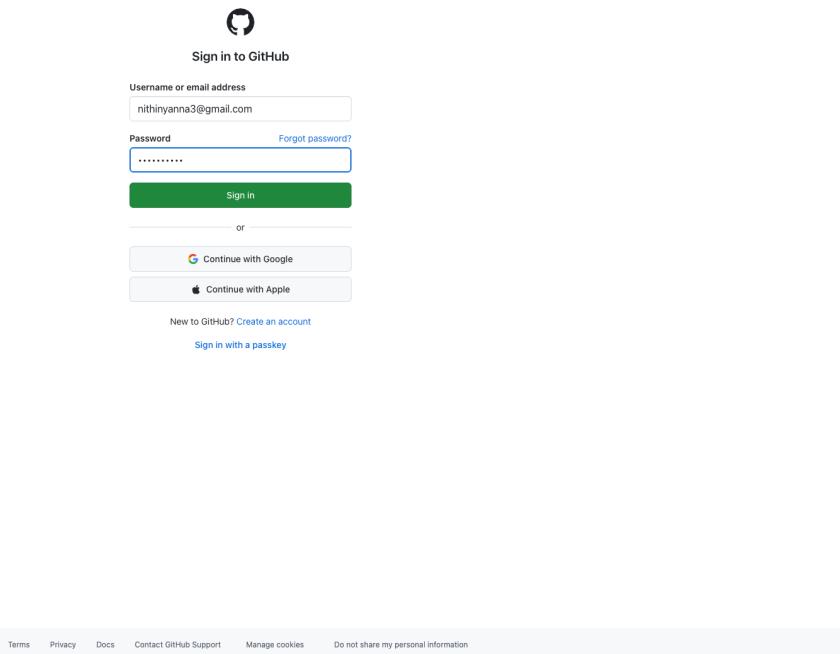

URL: <https://github.com/login>

Action: click Target: Sign in

Status: success

Buttons: Sign in, Continue with Google, Continue with Apple

Username and password have been filled; the next logical step is to submit the login form by clicking the 'Sign in' button.

The image shows the GitHub sign-in page. At the top is the GitHub logo and the text "Sign in to GitHub". Below that is a form with two input fields: "Username or email address" containing "nithinryanna3@gmail.com" and "Password" containing several dots. To the right of the password field is a "Forgot password?" link. Below the password field is a "Sign in" button. Underneath the form is a horizontal line with the word "or" in the center. Below this line are two buttons: "Continue with Google" with a Google icon and "Continue with Apple" with an Apple icon. At the bottom of the page, there is a link "New to GitHub? Create an account" and a link "Sign in with a passkey". At the very bottom of the image, there is a grey footer bar with links for "Terms", "Privacy", "Docs", "Contact GitHub Support", "Manage cookies", and "Do not share my personal information".

Step 12

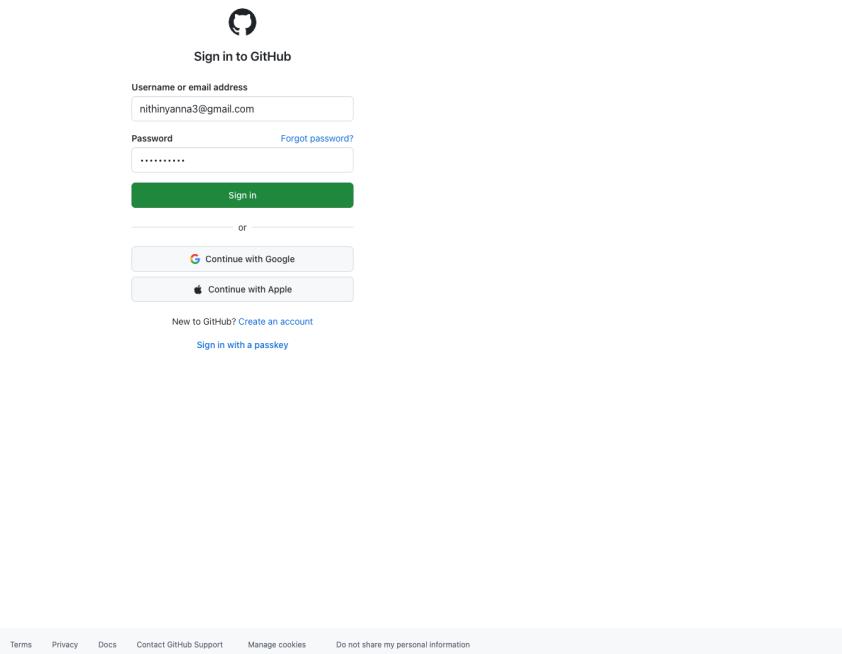

URL: <https://github.com/login>

Action: click Target: Sign in

Status: failure

Buttons: Sign in, Continue with Google, Continue with Apple

Username and password have been filled; next step is to submit the login form by clicking the visible 'Sign in' button.

The image shows the GitHub sign-in page. At the top is the GitHub logo and the text "Sign in to GitHub". Below that is a form with two input fields: "Username or email address" containing "nithiryanan3@gmail.com" and "Password" containing a masked password. To the right of the password field is a "Forgot password?" link. Below the password field is a "Sign in" button. Underneath the form is a horizontal line with the word "or" in the center. Below this line are two buttons: "Continue with Google" with a Google icon and "Continue with Apple" with an Apple icon. At the bottom of the page, there is a footer with links for "Terms", "Privacy", "Docs", "Contact GitHub Support", "Manage cookies", and "Do not share my personal information".
