Completed: True

Total Steps: 11

## Step 0

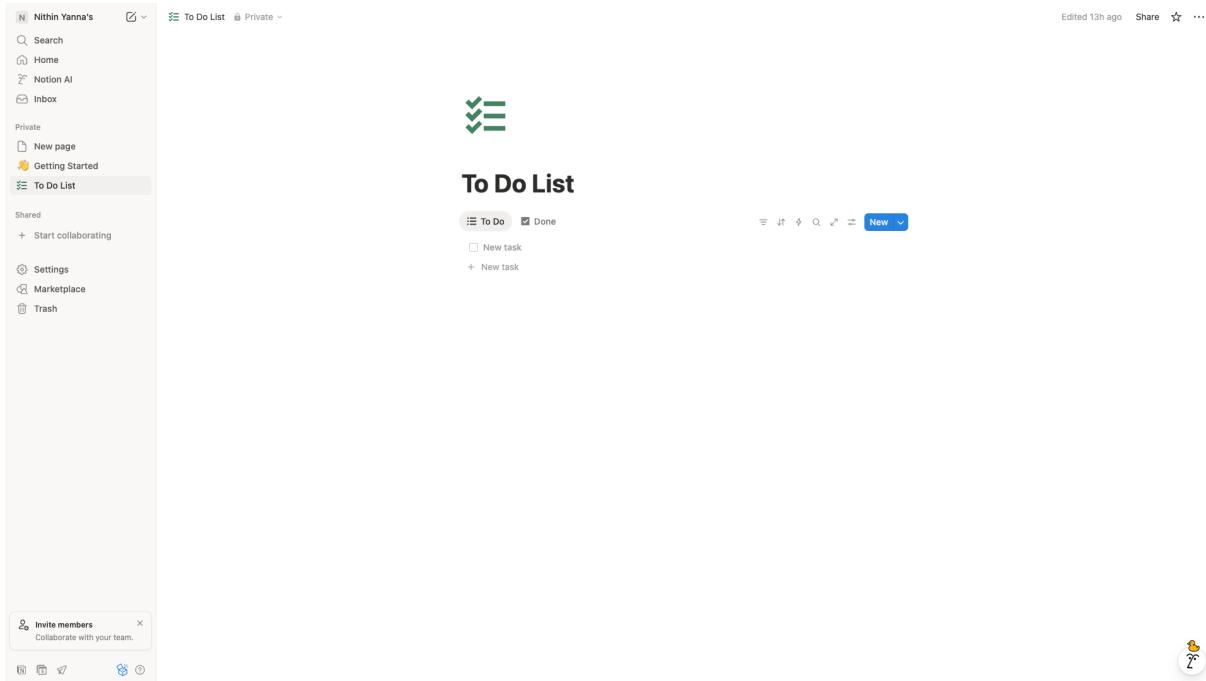

URL: <https://www.notion.so/2a2143e2a92e800aa028d41d59591158>

Action: click Target: New

Status: success

Buttons: Menu, Share, New, +

No form fields are currently visible, so we must click a button to open the new task form. 'New' is the appropriate button to create a task.

## Step 1

URL: <https://www.notion.so/To-Do-List-2a2143e2a92e80739d74ff5f428a21b9>

Action: click Target: To Do List

Status: success

Buttons: Share, ..., Private, ..., Add, Start collaborating, Invite members, Ask AI, AI Meeting Notes, Database, Form, Temp

Need to open the To Do List page before adding a task; 'To Do List' is listed among available elements.

## Step 2

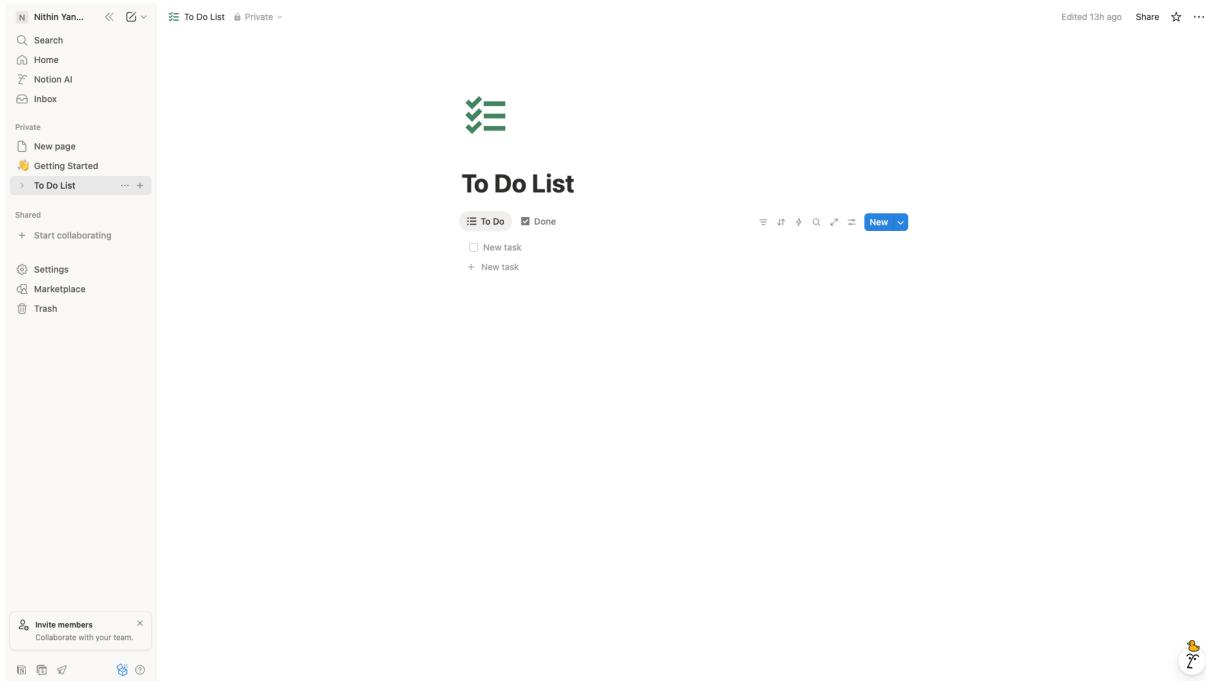

URL: <https://www.notion.so/To-Do-List-2a2143e2a92e80739d74ff5f428a21b9>

Action: click Target: +

Status: pending

Buttons: Share, New, Start collaborating, +, To Do, Done, ..., Download, Lightning, Search, Expand

No input fields are visible. To create a task, we need to click the '+' button which likely opens the task creation form.

## Step 3

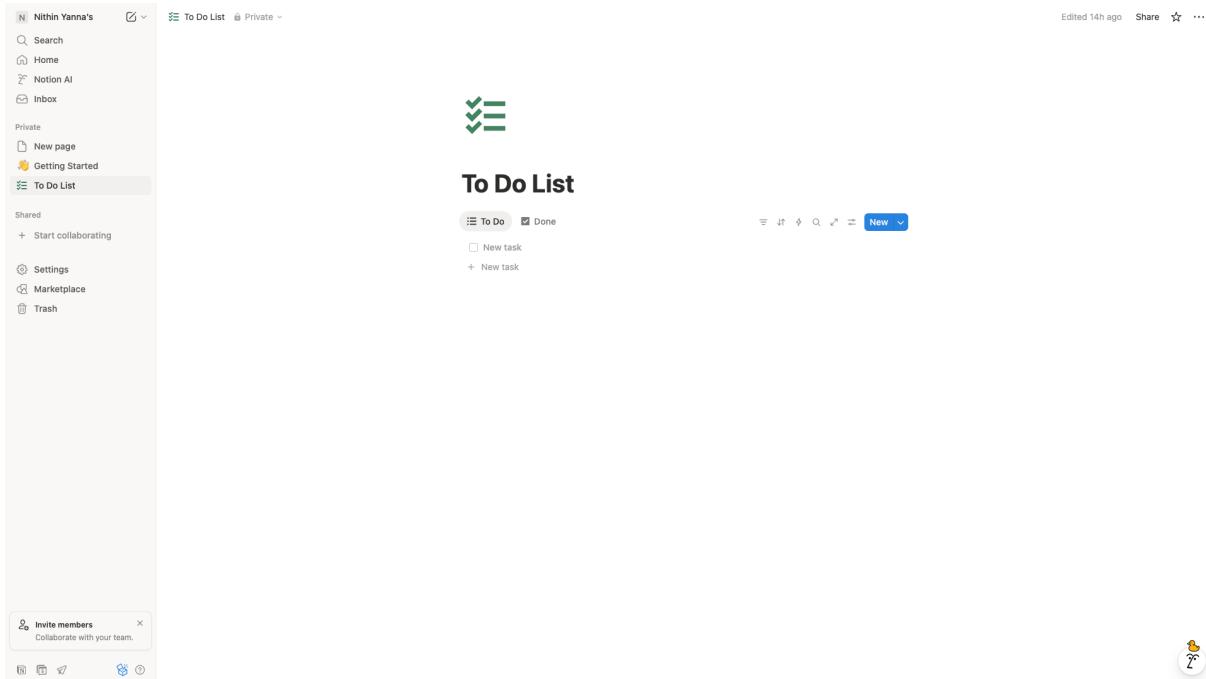

URL: <https://www.notion.so/To-Do-List-2a2143e2a92e80739d74ff5f428a21b9>

Action: click Target: + New task

Status: pending

Buttons: Share, ..., To Do, Done, New, + New task, x

No input fields are currently visible, so we need to click the '+ New task' button to open the task creation form where we can name the task.

## Step 4

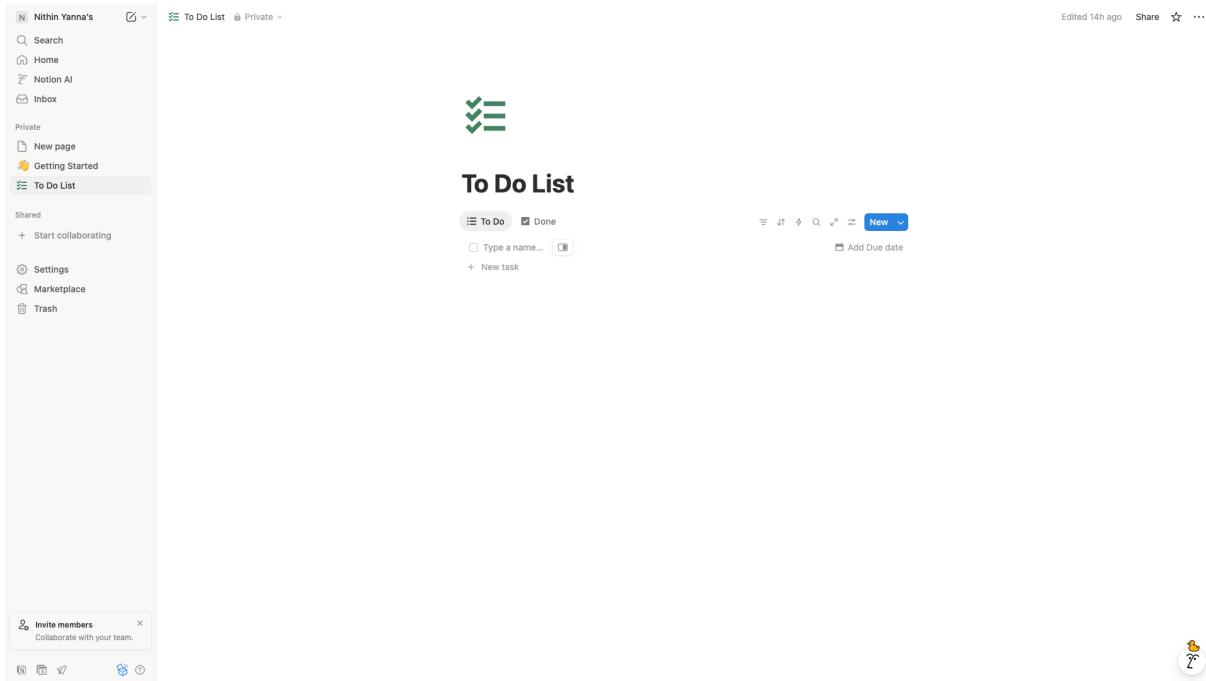

URL: <https://www.notion.so/To-Do-List-2a2143e2a92e80739d74ff5f428a21b9>

Action: fill Target: Type a name...

Status: success

Buttons: New, Add Due date, + New task, Share, Invite members, Three-dot menu (top right)

The task name field 'Type a name...' is visible after clicking '+ New task'. Filling it with 'test' creates the task before proceeding to settings.

## Step 5

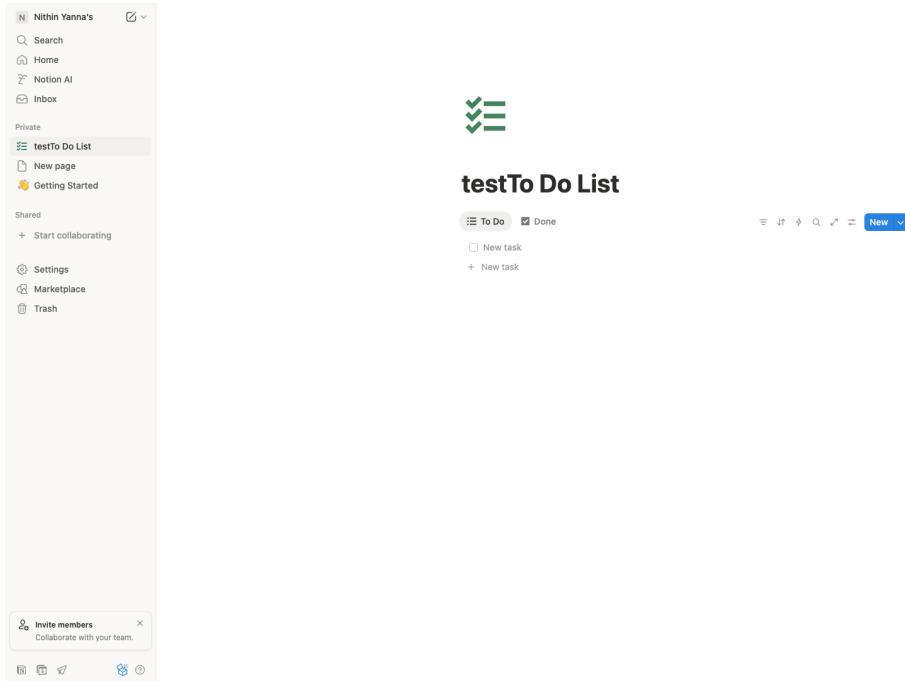

URL: <https://www.notion.so/testTo-Do-List-2a2143e2a92e80739d74ff5f428a21b9>

Action: click Target: New task

Status: pending

Buttons: New, Invite members, + New task, To Do, Done, Menu icon (three dots), Download icon (arrow down), Lightning

No fields are currently visible, so we need to click a button to open the task creation form before filling the task name.

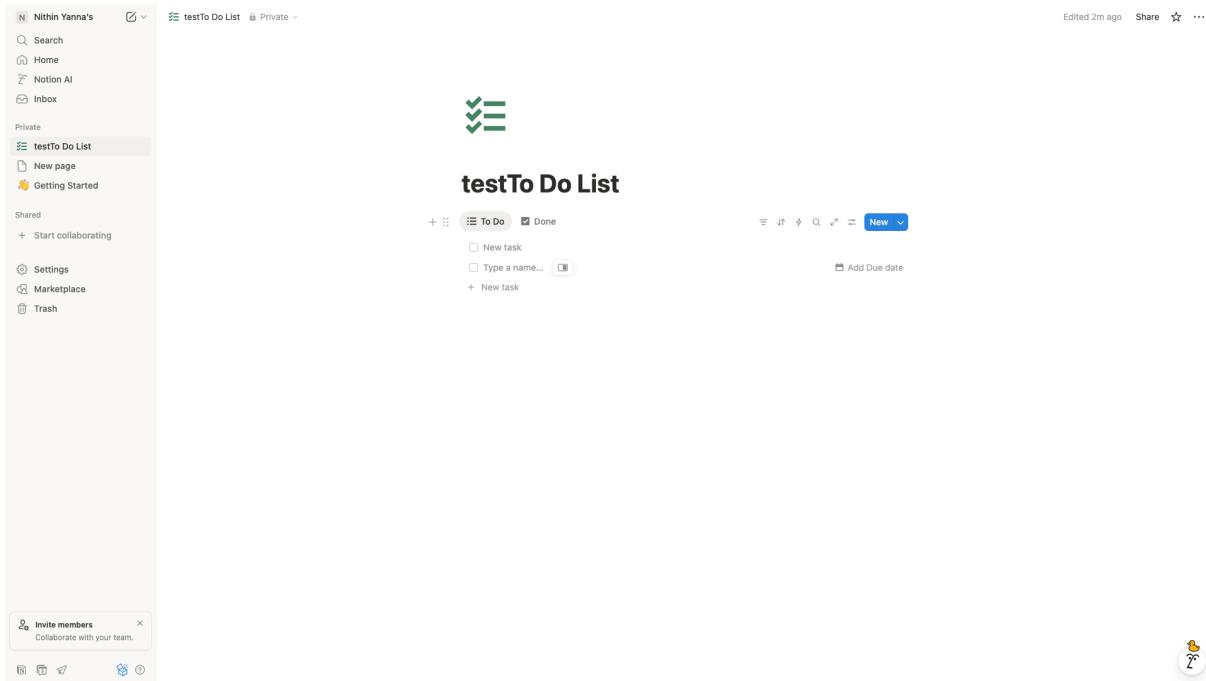

## Step 6

URL: <https://www.notion.so/testTo-Do-List-2a2143e2a92e80739d74ff5f428a21b9>

Action: wait Target:

Status: success

No buttons or fields are currently visible, so we must wait for the UI to load further elements before proceeding.

## Step 7

URL: <https://www.notion.so/testTo-Do-List-2a2143e2a92e80739d74ff5f428a21b9>

Action: fill Target: Type a name...

Status: success

Buttons: Nithin Yanna's, Share, ..., +, New, To Do, Done

After clicking 'New task', the visible field 'Type a name...' should be filled with the task name 'test' before proceeding to settings.

The screenshot shows a Notion workspace with the title 'testTo Do List'. On the left is a sidebar with navigation links like Home, Notion AI, and Inbox. The main area has a header with search, share, and settings icons. Below the header is a 'testTo Do List' section with a 'New' button and a 'Type a name...' input field. A tooltip 'New task' is shown above the input field. At the bottom of the page, there's an 'Invite members' button and a user profile icon.

## Step 8

URL: <https://www.notion.so/testtestTo-Do-List-2a2143e2a92e80739d74ff5f428a21b9>

Action: click Target: Settings

Status: pending

Buttons: Search, Home, Notion AI, Inbox, New page, Getting Started, Start collaborating, Settings, Marketplace, Trash, Inv

After creating the task, the next required step is to open Settings to change the start week. Settings is an available button.

The screenshot shows a Notion workspace interface. On the left is a sidebar with navigation links: Search, Home, Notion AI, and Inbox under Private; testtestTo Do List under Shared; New page, Getting Started, Start collaborating, Settings, Marketplace, and Trash under Shared; and Invite members (Collaborate with your team) at the bottom. The main area is titled "testtestTo Do List". It features a "To Do" section with three items: "New task", "New task", and "+ New task". At the top right of the main area are search and filter icons, and a "New" button. The bottom of the screen has a toolbar with icons for search, filter, and other Notion functions.
